ICAP continues to promote & protect the interest of the appraisal profession in the Illinois General Assembly, but we need your support. Your annual membership dues and PAC contributions are essential to ICAP remaining a strong political activist for appraisers in Illinois.

Dues are not tax deductible as they are allocated to lobbying expenses. ICAP— PAC collects contributions from members and uses those funds to help elect candidates for public office who are supportive of appraiser related issues.

Renew by December 31st for a chance to win one of **three \$100 gift cards** to be raffled off at our first board meeting in January 2022!

Thank you for your support!
